

# **Newbold Church of England Primary School**

**At Newbold we aim to support each other to live, learn and excel together as a Christian community.**

*"Therefore encourage one another and build each other up," 1 Thessalonians 5:11*

We aim for excellence - building self-confidence and independence so that children are happy and well-motivated; keen to question; inspire and embrace change. Through the Christian ethos of the school, we value difference, diversity, and grow together as a community of lifelong learners.

## **Living out our vision as a Church of England School**

### **Spring 2022**

THE ARCHBISHOP OF YORK  
YOUTH TRUST  
*Be the change you want to see*

## Young Leader Awards

On January 14<sup>th</sup> 2022 we launched our Friday lunchtime club where we will work towards gaining a Young Leader Awards. These are organised by the Archbishop of York Youth Trust and the children will work towards an award at the end of the sessions.

Twenty-two children have joined and the club is going to be led by Mrs Greening and Mrs Mack in two groups.

Each week we have to complete a challenge set by Archie in our groups. We also have to complete some challenges at home.

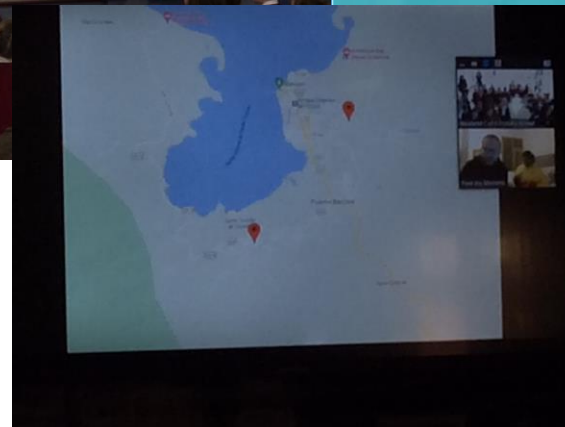

## Pure Joy Missions

On 5<sup>th</sup> January Peter and Andrea met us on zoom for our assembly so that we could start to find out about their work in Guatemala. They work for Pure Joy Missions and their work involves supporting a range of different projects.

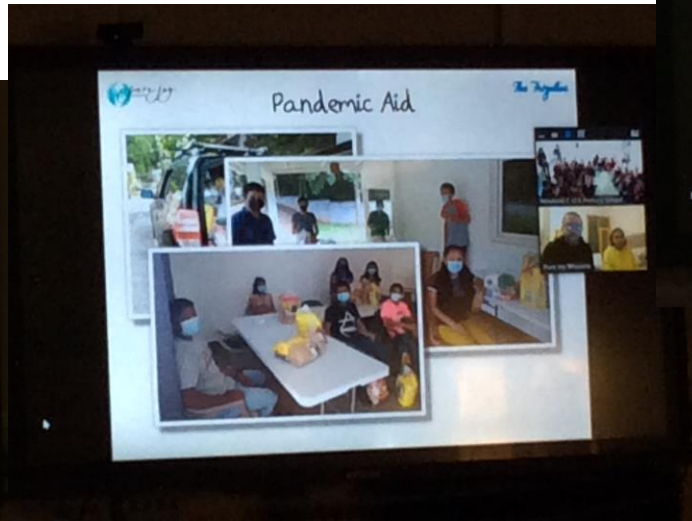

[purejoymissions.org](http://purejoymissions.org)

We asked lots of questions to help us to understand their work and prayed for them as a family as they return to Guatemala soon.

# Pure Joy Mission Projects

During the zoom Peter introduced us to the different projects that they are involved in their community in Guatemala. We are going to stay in touch and try to continue to support their work as a school.

## Linking Schools

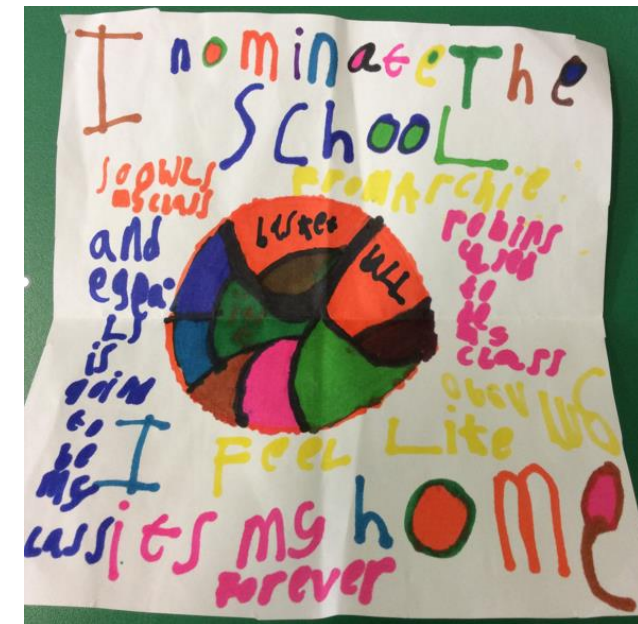

The teachers carried out training for Linking schools on Monday 10<sup>th</sup> January.  
We can now talk to our link schools and start to arrange to work together.

## Collective Worship

Open the book visited us on 11<sup>th</sup> January. They told us the story from the bible of Abraham being called by God to go to a special land he was giving him and about the birth of his son Isaac. They told us about the promises that God made to Abraham and his descendants. Everyone always enjoys hearing the stories told by Open the Book and having the opportunity to join in with the story.

Rev Tim visited on Thursday 27<sup>th</sup> January. He continued our series on Paul by talking about the church being 'One Body' from 1 Corinthians 12.

# Clubs

Our

Well done reading club for performing your puppet playscript in assembly. I know you worked very hard on it. 😊

Monday Sewing Club all classes

Monday Cookery Club all classes

Tuesday Archery Club all classes (SH Active)

Wednesday Multi Sports Club all classes (Soccerstars)

Wednesday Art Club Robins & Owls

Thursday Reading Club all classes

Thursday Multi-Sports Club all classes (NWLSSP)

## Perseverance Pupil lead assembly

This half term we have focused on perseverance. The children led an assembly to share what perseverance means to them. Robins talked about the meaning and how the Growth mindset characters Danny the Dog and Hetty the Hippo link to what we had learnt. They also thought of examples of how they have persevered and helped to tell the story of a young girl called Mary Jones who persevered because she wanted to own a bible of her own in her own language. Owls all read an example of a time when they had persevered. Eagles focused on ways they can encourage others to persevere and shared some verses from the bible that encourage us to perseverance.

# Perseverance Assembly continued...

## Owls Examples

I persevered with trying to get better at trackball skills and it is really hard all so my mum cheered me on so

I got a score of 90 correct on ttrackstars and it took at least 9 hours of playing ttrackstars to reach this point. I felt so buoyant to get 90 correct (Rock Legend).

a math question because it was really hard questions but i did it by help at the end, i felt good.  
~~at the end~~

During horse riding I did a really, really, really high jump and i fell off but ~~ig~~ after my coach encouraged me to try once more ~~ig~~ to ~~ig~~ got back on and said no cantering or jumping please my coach said ok but when it came round to the cantering and jumping <sup>again</sup> i thought it was only a little fall and now I know how to do it better ill try again and i did ~~idid~~ it i was very proud and I felt amazing.

# Perseverance Assembly continued...

## Eagles Examples

Tianey Phoebe	Missing a basket
Luke Lyra	Making a cup of tea
Cerys Mia	Adding fractions with different denominators
Julianna Harry	Tricks on a skateboard
Mrs I Mrs G	Bad behaviour in the classroom
Imogen	This half term we have focussed on perseverance. We have seen that there are many times in our days when we need to persevere at something. We all know what it can feel like to do something that we don't find easy and not get any feedback or encouragement - whether it's starting in a new class or school, trying out a new hobby, or trying to make small changes in your life. You want to give up and it can feel hard to stick with your goals.
Mia	Encouragement is something we all need to keep us motivated, loved, and feeling confident in ourselves and what we do. It's something that is important for our mental and overall health and it truly can give us just the same amount of joy to give it to others as it is to receive it.
Lyra	Because God created us and knows this about our personalities, he has provided countless verses in the Bible to not only encourage us but also to teach us the importance of lifting up those around us.

Imogen Imagine how your community could change for the better with a little more encouragement between neighbours instead of complaining. Or how strong your class could become if each person supported one another. What a world that could be!

"Therefore, encourage and build one another up – just as in fact you are doing."

“  
And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.  
HEBREWS 10:24-25

“  
Therefore encourage one another and build each other up, just as in fact you are doing.  
1 THESSALONIANS 5:11

“  
May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had.  
ROMANS 15:5

“  
Be on your guard; stand firm in the faith; be courageous; be strong.  
1 CORINTHIANS 16:13

“  
But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.  
ISAIAH 40:31

“  
Each of us should please our neighbors for their good, to build them up.  
ROMANS 15:2

# History Workshop- Mining in Leicestershire

We had a fantastic morning learning all about the local coal mining industry. We used photographs and voice recordings to put ourselves in the role of miners and their families. Using a variety of drama techniques (freeze frames, live action and conscience alley) we explored what life was like for the young miners. It has really inspired us to learn more about the local area - we will be taking this up in our History topic after half term.

On Monday a couple of weeks ago the years 2-6 had a History Morning. The Man's name that did it was Mike and it was about the mines 150 years ago.

We started by 'going back into time' and then we were pretending that we were someone from the mines and talking to each other about what we thought it would be like in the Mines 150 years ago.

We then did some freeze frames and we also got into groups so that there was someone from each year in each group (if it was possible) and we did some drama acts and once we had done that we shared them with all of the other groups and the teachers that were in the room which were Mrs. Hansard, Mrs. Issitt, Ms. Hitchman, Mrs. Granger and Mike who was the person that was teaching us about the Mines.

We then stood in a line with a few people slumped up I a group and we were pretending that they were in a cage with Arthurs dad at the front of the clump so that someone that we called Arthur could walk slowly walked down the line and the people that were in the line were shouting things out that they thought Arthur would be thinking as it was his first time going down the mine with his Dad.

Lastly we got into partners and one person was guiding the other person around and when the leader said UP the follower would have to list their leg up and then DOWN meant to duck. The leader was Arthurs Dad and the reason why was because the Mines were very dark and his Dad knew the Mines very well as he had been down the mines for around 12 hours a day for the past 6 years. We also went through a PowerPoint at the end and never 'came back' into 2022 again.

# Dance Workshop- Chinese New Year

The children really loved the visit from the West End company dancer to teach us a dance to tell the story of Chinese New Year. After reading the story we had to learn to make strong actions and faces so that everyone could see the animal we were showing in the dance. We had actions we repeated, for example, there was an action we had to keep doing to represent the emperor and we had to fall asleep to show the cat. Everyone worked hard to do their best for the final performance.
